

BOARD MEMBER COMPENSATION, EXPENSES, AND INSURANCE

Members of the Board shall serve without compensation. However, as permitted by law, Board members may receive mileage to and from Board meetings at a rate not to exceed the maximum allowed by law for state employees.

Travel expenses, including room and meal expenses may be reimbursed either on the district's per diem rate for employees or actual expenses as authorized by the Board. Receipts shall accompany claims for actual expense reimbursement.

The Board shall provide liability insurance coverage for its members in order to protect them from financial loss arising from claims filed against them while performing their duties as a school board. The liability insurance coverage or the school district will include payment for all legal fees. If the liability insurance coverage is not adequate for any judgment or finding against a Trustee performing their duties as a school board, the District shall cover the difference.
