

ANNUAL BUDGET

School budgeting in Wyoming is regulated and controlled by legislation and regulations of the Wyoming Department of Education. The Municipal Fiscal Procedures Act which applies to all districts, provides the framework for preparation, passage and implementation of the district's annual operating budget.

The Superintendent or his/her designee shall serve as the budget officer for the district. In this capacity, he/she shall be responsible for and oversee the budget preparation, budget presentation, and budget administration.

In order to facilitate budget preparation for the district, the district will follow the timelines established in Wyoming Statutes.
