

BUDGET TRANSFERS

After publication of notice and a hearing, the Board of Trustees may, by resolution, transfer any unencumbered or unexpended appropriation balance or part thereof from one fund or program to another. This process will be initiated at the request of the superintendent or upon a motion by the Board.

Inter-fund transfers should be limited and the accounting for such transfers must follow the regulations of the Wyoming State Department of Education and Wyoming Statute. These inter-fund transfers shall be approved by the Board.
