

CRISIS INTERVENTION TEAM

The District shall establish and maintain a crisis intervention team determined by the Superintendent and/or designee to provide the District with management and site assistance during crisis situations that influence and impact the District. Crisis is defined as: 1) Violent or life-threatening situation; 2) suicide; 3) death of a student or staff member; or 4) a condition that affects the functioning of a significant number of members of the School and/or School District.
