

MEAL DEBT COLLECTION

Sheridan County School District #2 participates in the National School Lunch and Breakfast Programs to ensure that our students have access to the healthy food they need to learn and succeed in school.

If students and parents do not pay for meals, the unpaid debt places a financial burden on the school district.

Payment is expected in advance of the student eating each day and parents are expected to maintain a positive account balance throughout the year.

Free and reduced meals are available to families with qualifying incomes. Applications are accepted at any time during the school year. Any benefits qualified for will become effective on the date the application is processed. Benefits cannot be backdated and parents are responsible for payment of any charges incurred prior to the application being processed.

The district expects parents to take financial responsibility for their student's meals. Payment is expected in advance of the student eating each day and parents are expected to maintain a positive meal balance throughout the year. All students will receive a reimbursable lunch/breakfast without regard to whether or not they have a charge balance.

A la Carte is a food program that is offered at Sheridan High School. This program provides food products the cost of which cannot be reimbursed by state or federal programs. Debt obtained under this program can not exceed \$15.00.

The District offers multiple payment remittance options:

- Pay online by utilizing the parent portal. Drop payments off at any school front office or at the front desk of the District office, located at 201 N. Connor Street

The district will implement the following steps for students with negative account balances:

Step 1:

- Notification will be made in a consistent and timely manner to all parents of students who have a debt via automated dialer. Notifications will continue over the entire calendar year.

Step 2:

- Collection of negative balances up to \$100 will be handled by the administrative assistant and principal.

- Balances that exceed \$100 will be handled by the central office staff.

Step 3:

If a parent doesn't maintain a payment plan and/or eliminate the negative lunch balance the district administration shall notify them via certified letter of the district's intent to collect this debt and notify them of further action that may be taken by the district.

The Superintendent or his/her designee may take one or more of the following actions, unless or until prohibited by state law or regulation:

- Pursue collection in small claims court or through assignment to a collection agency for negative balances exceeding \$250.00 per student in a household or if the student has transferred out of the district and negative balance remains after 10 days.
- Prohibit participation of the student in the graduation ceremony
- If it is determined after twelve(12) months of efforts to collect delinquent accounts that it will not be paid, the district may consider it a bad debt and treat it as an operating loss. Documentation of collection efforts shall be maintained.

District Employees

The district expects staff to take financial responsibility for their meals. Payment is expected in advance of staff purchasing a meal.

The District offers multiple payment remittance options:

- Pay online by utilizing Infinite Campus.
- Drop payments off at any school front office or at the front desk of the District office, located at 201 N. Connor Street

Staff that have a negative balance for their personal lunch account will be identified on the 15th of each month. Staff with a negative balance will have the total amount due as of the 15th automatically debited from their next paycheck.
