

### **CERTIFICATION OF STAFF**

All certified positions in the school district shall be approved by the Board of Trustees. All teachers, counselors, administrators, and other staff required by the Wyoming Department of Education shall maintain certification through the Wyoming Professional Teaching Standards Board.

Job descriptions will be developed for each certified position and approved by the Superintendent.

The Board delegates to the Superintendent and/or his/her designee(s) the task of writing and maintaining job descriptions for each certified position.
