

EXTRA DUTY AGREEMENTS

Staff members assigned Extra Duty Agreements will receive compensation in accordance with the activities wage schedule, special assignment pay rates, or as may otherwise be determined by the Board. Most stipends will be paid on an annual or seasonal basis, although certain assignments performed at irregular or infrequent intervals may be paid at an hourly rate.

Once approved by the Superintendent, Extra Duty Agreements will be recommended to the Board for approval. Appointees will be issued an Extra Duty Agreement containing terms of their extra employment, stating their particular assignment, its duration, and the compensation to be paid.
