

EDUCATIONAL VISION AND MISSION

VISION:

Learning: SCSD2 is committed to the cultural foundation that all students can learn and it is our collective responsibility to ensure all students learn at high levels. We acknowledge all students learn at different rates and it is our job as a collective District to meet the needs of individual learners. We also maintain that adult learning and growth is vital.

Collaboration: Focused collaboration among our teachers, professional staff, classified staff, Trustees and administration is essential and expected. Our teams work interdependently and systematically to improve student learning and teaching.

Results: Our district and teacher teams take a results-oriented approach by continuously collecting, analyzing, and responding to student learning data and best teaching practices.

MISSION:

Sheridan County School District No. 2 is dedicated to preparing every student for success.

All schools will establish, and include in their respective handbooks, purpose statements that align with this district Mission.
