

EDUCATIONAL VISION AND MISSION STATEMENT

VISION:

Learning: We believe that all students can learn and that it is our responsibility to ensure that all students learn at high levels. We acknowledge that all students learn at different rates and that it is our job as educators to meet the needs of individual learners. We also value adult learning and growth alongside that of our students.

Collaboration: Focused collaboration among our teachers, professional staff, classified staff, and administration is essential and expected. Our teams work interdependently and systematically to improve student learning and teaching.

Results: Our district and teacher teams take a results-oriented approach by continuously collecting, analyzing, and responding to student learning data.

MISSION:

Sheridan County School District No. 2 faculty, staff, and administration are dedicated to preparing every student with the skills, knowledge, and attitudes needed for success.
