SPECIAL EDUCATION PROGRAMS FOR STUDENTS WITH DISABILITIES

Sheridan County School District No. 2 shall take steps to ensure that children with disabilities have available to them the variety of educational programs and services available to non-disabled children.

The District shall provide special education and related services for each school-aged child residing in the district who meets Individuals with Disabilities Education Act (IDEA) and Wyoming Department of Education (WDE) eligibility criteria for a disability category. Such services shall be provided within the district's schools and/or by other agencies under contract to the district as determined most appropriate.

These services shall be provided in accordance with federal and state statutes and rules implementing or regulating these services in the District. The District complies with Chapter 7 Rules and Regulations Governing Programs and Services for Disabled Children, Wyoming Department of Education.

The District will direct and oversee the provision of a free appropriate public education (FAPE) to students with disabilities without regard to whether a student is placed internally or externally from the District for services in compliance with 34 C.F.R. Sections 104.33-104.37.

The District will direct Individualized Education Programs (IEPs) for all students with disabilities who require specialized instruction including those placed in external residential facilities.
