

GRADE ADVANCEMENT AND RETENTION OF STUDENTS

Grade advancement of students in grades K-8 shall be determined upon review of student data. Retention of students in grades K - 8 will be determined by the respective school team, including but not limited to the teachers, school counselor, and principal, after review of student data and in consultation with parents/guardians.

High school students will be placed pursuant to the state of Wyoming cohort regulations and/or the number of credits earned.

First Reading: 5-4-26
Second Reading: 6-8-26
