

FLAG DISPLAYS

The national and state flags will be flown on the school grounds from before the opening to after the close of school (unless properly illuminated during the hours of darkness) on all school days, weather permitting, unless an all weather flag is displayed. Flags will be flown at half- staff upon notice from appropriate authorities. Proper flag etiquette will be followed at all times.

In any assembly or gathering where the American flag is to appear on the stage or speaker's stand, it is the teacher's or advisor's responsibility to see that the flag appears correctly at the right of the speaker.
