

SUICIDE PREVENTION EDUCATION

Sheridan County School District #2 requires each teacher and school administrator within the district to receive at least eight (8) hours of suicide prevention education every four (4) school years. Any teacher or school administrator shall receive at least two (2) hours of suicide prevention education during the initial school year of employment with the district if the teacher or school administrator has not received suicide prevention training complying with this policy prior to employment.

The Superintendent or his/her designee shall select a suicide prevention training program that has been approved by the Wyoming Department of Education and make the program available to all teachers and school administrators within the district.

The Superintendent or his/her designee shall make all suicide prevention education materials and classes available to interested community members.
