

SUPERVISION OF STUDENTS

School personnel are responsible for the safety and welfare of all students assigned to them during the school day. Students are not to leave a classroom without the permission of the teacher or his/her adult designee and teachers are not to leave a class unattended except in an emergency.

No student activity is to be conducted under sponsorship of the school without proper faculty supervision at all times.

Any staff responsible for student supervision must not allow students to leave their area of supervision without permission.

The administration will make faculty assignments that will best provide for the full and proper supervision of students at all times, whether in the classroom or on activity trips.
