Dear SJHS/tWP Parents and/or Guardians,

Thank you for all of your patience and understanding as we move forward in these uncertain times. The following are details specific to virtual learning at SJHS/tWP:

- Tuesday, March 31: For Open House, teachers will be available on Zoom via links in your student's teachers' Google Classroom/Schoology from 9-11 am and 1-3 pm for students and families to ensure connections and to answer any questions.
- Between now and Wednesday morning: All students will be using the following schedule for online learning ([LINK](#)). The link can also be accessed by your student on his/her grade-level Google Classroom.
 - Students should make a copy of the schedule and fill in their fourth quarter teachers. (Note: Case managers will reach out to families with students on 504s and IEPs with their schedules.)
 - Fourth quarter teachers can be found on Infinite Campus. (Note: The schedule for online learning will be in a different sequence than what is listed in Infinite Campus.)
- Wednesday, April 1: First day of virtual school!
 - Before 9:00 am every day, students will be expected to fill out a Daily Attendance Sheet available in their grade-level Google Classroom. Work completion/submission will also be a means to take attendance as well.
 - Students will be responsible for accessing their teachers' Google Classrooms/Schoology daily.
 - Many lessons will be written or teacher recorded instructions. Teachers will provide dates and times when live class attendance will be required.
 - Teachers will be available during course times listed in the student schedule to answer questions and provide feedback.
 - If your student will be absent, please follow our school's procedure by calling the school.
 - Zoom: Students will be able to join Zoom via teachers' links posted in Google Classrooms/Schoology.

Your student's counselor can assist with challenges with attendance, virtual learning, and social/emotional wellbeing. Click this [link](#) for counselor contact information.

Please know, the continued education of your student is very important to us. If you are having issues with Chromebooks and/or Internet access, please contact us at 672-9745.

Sincerely,

SJHS Administration
