Registration August 28 through September 11

Chess Club (M/W) - Are you a strategic thinker? Do you like competition? If so, chess is the game for you. Learn the moves, strategies, and plotting that goes into one of the world's most popular games. Chess is a great game to help develop strategic thought in the process of attempting to overtake the opponent's king. Come build great friendships while learning the true art of chess.

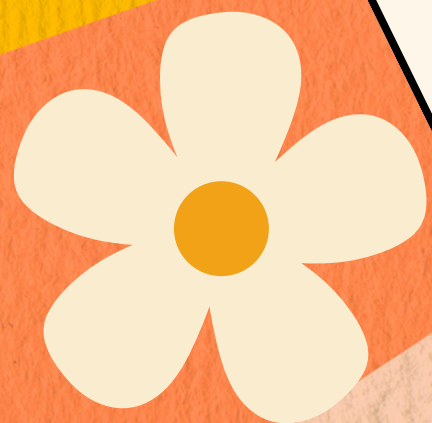

Outdoor Club (T/Th)

Outdoor Club is a space for students grades 6-8 to come together; make connections; share passions and explore curiosities about outdoor activities.

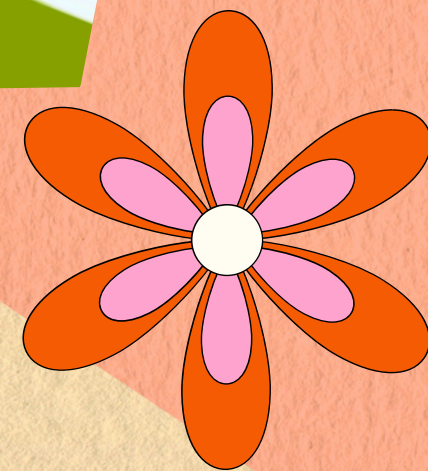

Activities may include local hiking trails, trail etiquette, hiking basics, leaving no trace, backpacking, bike riding and outdoor survival skills; and learn from local experts.

Hispanic Culture and Foods (M/W) – Students
will learn and interact with different aspects
of the Hispanic culture. They will explore the
languages, lifestyle and foods of different
Hispanic countries and culture. This is a fun
and unique way to begin learning about new
languages, foods, and interacting with a new
culture!

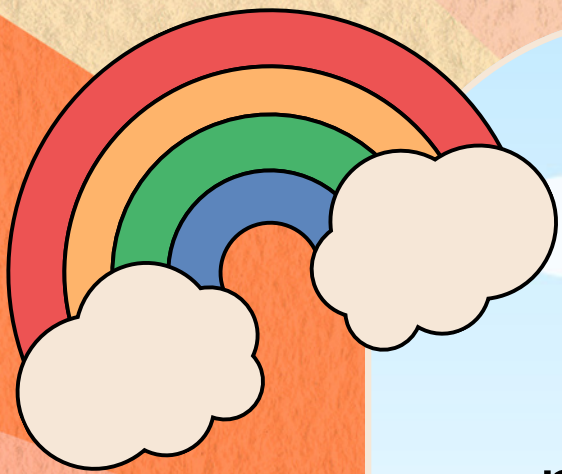

**Drawing Manga
and Comics (T/Th)**
Make new friends while
writing and drawing a
manga or comic with
said new friends!
[Cap: 18 Students]

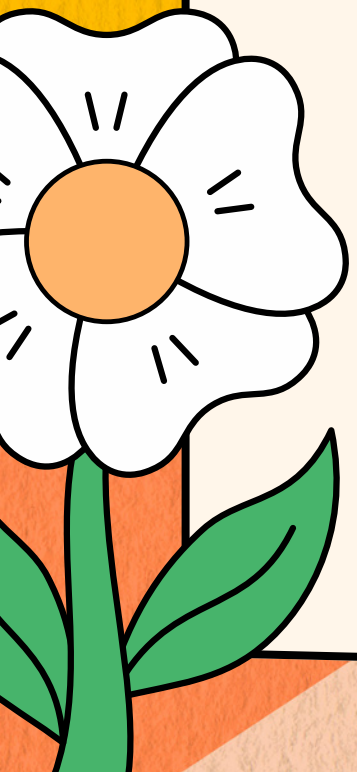

Tabletop Gaming (T/Th) - Students use social skills and imagination to work together while playing a wide variety of board games, card games, dice games and paper games. Tabletop games build comradery, teamwork skills and create a sense of community among the students in one-on-one competition and group play.

KWN (T/Th) - KidWitness News develops and edits the weekly news videos for the Junior High School. We are looking for big personalities to conduct interviews and those wishing to learn how to produce and edit videos. If you are looking to be the next big Youtube star here is where you learn the interviewing and editing techniques.

Creative Writing (M/W) – This program will explore students' creativity in writing. Students will work together to explore their imaginations and get them on paper. Whether poetry, short stories, comics, informational, or the next Stephen King, students will be able to express themselves in the form they choose.

Bronc Tank (M/W) -

Remember the TV Show Shark Tank? Bronc Tank will be the SJHS version of the popular entrepreneur television show. Students will work together to build a business pitch to be presented at the end of the session. Using imagination and innovation will provide students the knowledge of how starting your own business or inventing a new product works.

Role Playing Games (T/Th) -

Students use social skills, creative problem solving and imaginations in role playing games. Role playing games build teamwork skills and create a sense of community among members of campaigns or those involved in one-on-one competition.
