

SESSION RUNS JANUARY 8TH THROUGH FEBRUARY 15TH

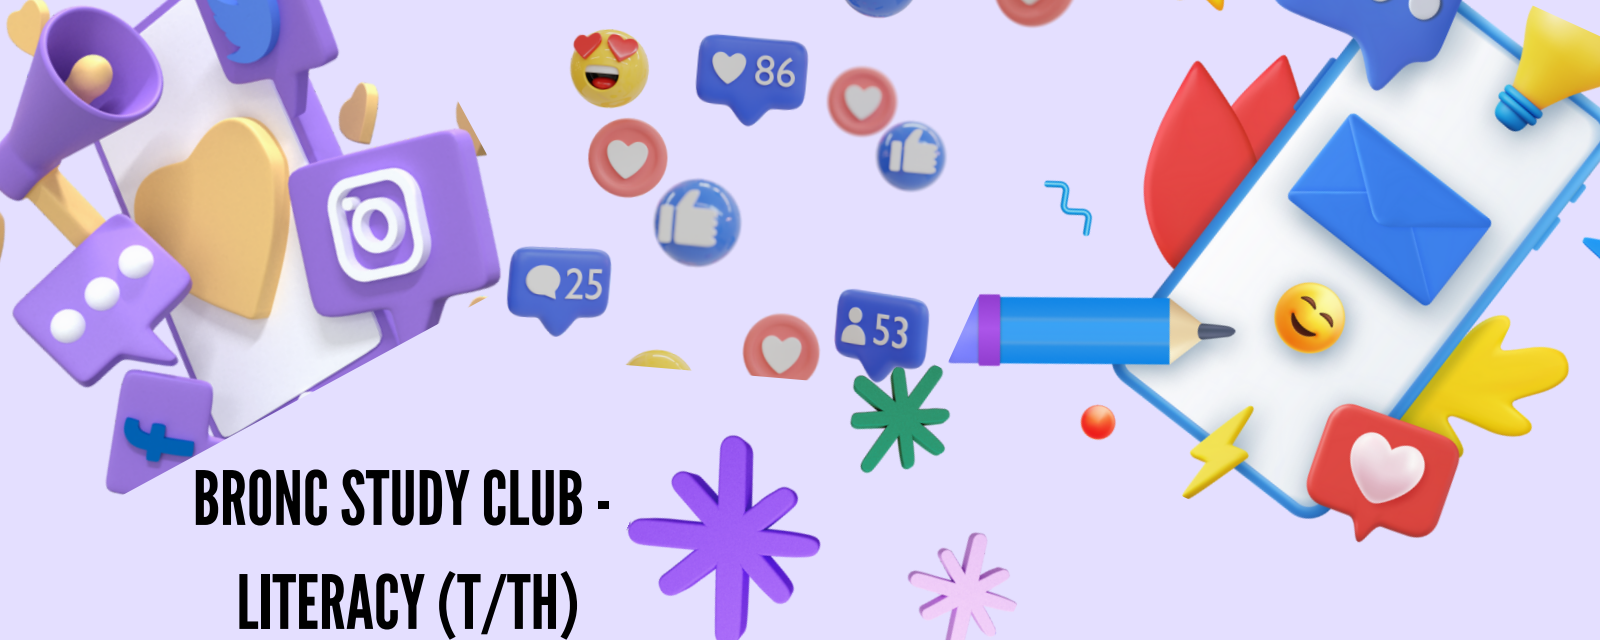

Customize a 2D game engine in Javascript, the dominant programming language of the Internet, using professional cloud-based tools from your Chromebook. [Cap: 8 students]

Make new friends while writing and drawing a manga or comic with said new friends! [Cap: 18 Students]

Students will be able to select a book(s) as a group that interests them. We will spend time reading, discussing, and completing activities that complement the books we have chosen.

BRONC STUDY CLUB - LITERACY (T/TH)

This program provides a location for homework completion in a structured, supervised setting. Each day, students spend a portion of the programmed time completing homework assignments. Once they have worked for the required time period, students then work on individual and group enrichment projects while using technology. Work for all subjects can be completed during this class if needed.

KID WITNESS NEWS (T/TH)

KidWitness News develops and edits the weekly news videos for the Junior High School. We are looking for big personalities to conduct interviews and those wishing to learn how to produce and edit videos. If you are looking to be the next big Youtube star here is where you learn the interviewing and editing techniques. [cap: 10 students]

BOOK WRITING & ILLUSTRATION (M/W)

Calling all authors! Do you want to develop your writing skills? Do you want to share your masterpieces? Do you just need a creative outlet? If the answer is yes, then this club is for you. Go through the process of what it takes to write, illustrate and publish a book. Maybe yours will be the next Skippy Jon Jones! Come try out book writing and get your imagination going!

COMMIT TO FIT (M/W)

Fitness is not about competing with others. It is about working to be better than we were yesterday! In Commit to Fit we will learn and participate in the basics of fitness, strength, and stretching. We will incorporate fun ways to de-stress physically after a long day.

TABLETOP GAMING (M/W)

Students use social skills and imagination to work together while playing a wide variety of board games, card games, dice games and paper games. Tabletop games build camaraderie, teamwork skills and create a sense of community among the students in one-on-one competition and group play.

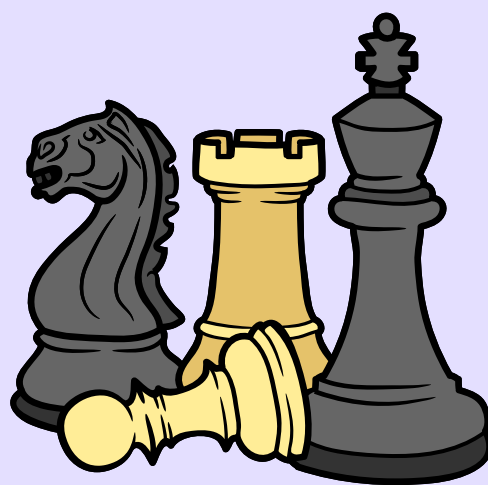

ROLE PLAYING GAMES (T/TH)

Students use social skills, creative problem solving and imagination in role playing games. Role playing games build teamwork skills and create a sense of community among members of campaigns or those involved in one-on-one competition.

CHESS CLUB (M/W)

Are you a strategic thinker? Do you like competition? If so, then chess is the game for you. Learn the moves, strategies, and plotting that goes into one of the world's most popular games. Chess is a great game to help develop strategic thought in the process of attempting to overtake the opponent's king. Come build great friendships while learning the true art of chess.

YE OLDE BRONC PLAYERS (M-TH)

Become a troupe member of the second annual gathering of Ye Olde Bronc Players! Director Heather Bujans will lead Ye Olde Bronc Players through rehearsal and performance of a Shakespearean play. Rehearsals begin January 8th, and performances will take place in mid-April. If you have ever wanted to learn more about theater, Shakespeare, or acting - this is your chance! Students will learn how to read and speak Shakespearean language with flair and take the stage with confidence. **Auditions are required for acceptance into club. Auditions will be held the December 11th -14th.**
