### **Bronc Study Club - Math (M/W):**

This program provides a location for homework completion in a structured, supervised setting. Each day, students spend a portion of the programmed time completing homework assignments. Once they have worked for the required time period, students then work on individual and group enrichment projects while using technology. Work for all subjects can be completed during this club if needed.

### **Role Playing Games (M/W) -**

Students will dive into exciting adventures using their social skills, creative problem-solving, and imagination in role-playing games. These games encourage teamwork and build a strong sense of community, whether students are working together in a campaign or facing off in one-on-one play.

### **Piano (M/W) -**

Come learn to play the piano! Piano Lessons for Beginners, Intermediate and Advanced.

### **Kid Witness News (M/W) -**

Kid Witness News develops and edits the weekly news segments for the Junior High School. We are looking for big personalities to conduct interviews and those wishing to learn how to produce and edit videos. If you are looking to be the next big YouTube star, here is where you learn the interviewing and editing techniques.

### **Cookie Club (M/W)**

*All New recipes this session!*  
Come learn how to make a new variety of homemade cookies, homemade cookie mixes for future use, and or dough that can be portioned and frozen. [Cap: 12 students]

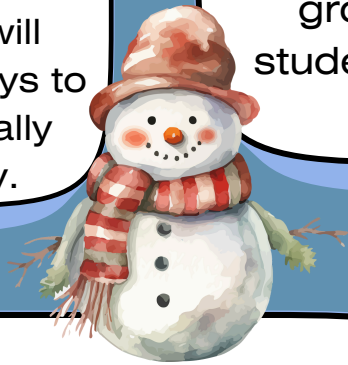

### **Commit to Fit (M/W)-**

Fitness is not about competing with others. It is about working to be better than we were yesterday! In Commit to Fit, students will learn and participate in the basics of fitness, strength, and stretching. You will incorporate fun ways to de-stress physically after a long day.

### **Tabletop Gaming (M/W) -**

Students get to use their social skills and imagination while playing all kinds of games—board games, card games, dice games, and even paper games! This club is all about having fun, making friends, and building teamwork skills. Whether it's one-on-one competition or group play, tabletop games bring students together and create a strong sense of community.

### **Bronc Study Club - ELA (T/Th):**

This program provides a location for homework completion in a structured, supervised setting. Each day, students spend a portion of the programmed time completing homework assignments. Once they have worked for the required time period, students then work on individual and group enrichment projects while using technology. Work for all subjects can be completed during this club if needed.

### **Intro to Aviation (T/Th):**

Are you fascinated with airplanes? Have you ever wanted to become a pilot? If the answer is yes, then this club is for you. Intro to aviation will teach the basics involved with general aviation and how to fly an airplane. (repeat of 2<sup>nd</sup> session)

### **Ye Olde Bronc Players (M-T-W-Th)**

Become a troupe member of Ye Olde Bronc Players! Director Heather Bujans will lead Ye Olde Bronc Players through rehearsal and performance of a Shakespearean play. Rehearsals begin January 5th, and performances will take place in early April. If you have ever wanted to learn more about theater, Shakespeare, or acting - this is your chance! Students will learn how to read and speak Shakespearean language with flair and take the stage with confidence.

**Auditions, held December 11th - 16th, are required to determine placement in the troupe**  
**This is a multi-session commitment.**

**Fly Tying (T/Th)** - Students will learn basic entomology and the skills needed to create flies that imitate these insects. [Cap: 10 students]

### **Pottery (T/Th)**

Come grow your pottery skills with wheel throwing! Students will cover the basics of clay and try their hand at wheel throwing on a potter's wheel. Clay experience is helpful, but not required.
