FALL

Crocheting - M/W

Students will learn
crochet basics, as
well as complete
small projects that use
their developing skills.

If students already
know how to crochet,
they can come and
work on independent
projects.

Registration Open
October 12th-27th

Bronc Study Club -Math- M/W

This program provides a location for homework completion in a structured, supervised setting. The emphasis is on reading/composition. Each day, students spend a portion of the programmed time completing homework assignments. Once they have worked for the required time period, students then work on individual and group enrichment projects while using technology. Work for all subjects can be completed during this club if needed.

Cookie Club- M/W

Attention Cookie Monsters!

Learn how to make a variety of homemade cookies, cookie mixes for future use, and/or dough that can be portioned and frozen.

[Cap: 20 students]

Piano - M/W

Students will receive piano lessons from a skilled piano teacher. Each student will learn to play the piano on their individual keyboard. All pianists will advance at their own skill levels. From time to time, the pianists will share their talents, skills and abilities with the class during an 'In Studio Piano Recital.' Students look forward to sharing their piano skills with others. It's an enjoyable and educational experience for the Pianist and the Audience! Students are Proud of Their Achievements!

Christmas Calligraphy - T/Th

The best way to spread Christmas cheer, is making CHRISTMAS CARDS! Come learn about the art of calligraphy while producing beautiful Christmas (or other winter holiday) cards. Students will review basics of cursive and learn how to extend that ability to calligraphy. In the end, we will have beautiful Christmas cards to share with those who mean the most to us!

Makers Club - T/Th

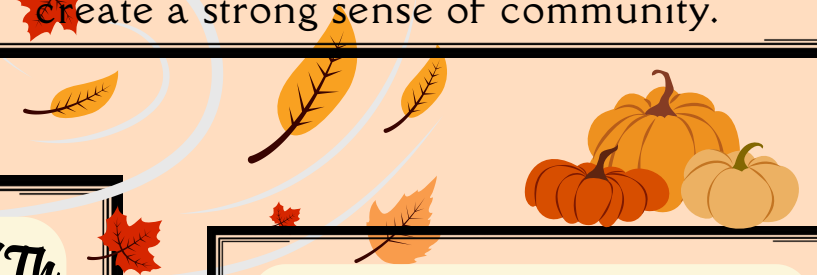

Students will create fun hands-on projects, express their creativity, and try new arts and crafts each week.

Gaming Club - T/Th

Students get to use their imagination while they dive into exciting adventures using their social skills, and creative problem-solving, in a wide variety of games. From role-playing games like Dungeons & Dragons, to board games, card games, dice games, and even paper games, this club is all about having fun, making friends, and building teamwork skills. Whether it's one-on-one competition or group play, club games bring students together and create a strong sense of community.

Brone Study Club -ELA- T/Th

This program provides a location for homework completion in a structured, supervised setting. The emphasis is on reading/composition. Each day, students spend a portion of the programmed time completing homework assignments.
